

# Vineet Sharma

Ajmer , Rajasthan / mastergenos228@gmail.com / 6378761180

---

## Experience

### Diginique Techlabs

Machine Learning/Data Science Intern, (Remote)

07/2024 - 08/2024

Developed ML Models for data Analysis and predictive insights .

Worked with Python , Pandas , and SQL for data preprocessing and feature engineering .

Analyzed large datasets to identify patterns and optimize model performance .

Collaborated on real-world data science projects , improving decision making through data-driven insights.

---

## Skills

Python, Java, JavaScript, Machine Learning, Data Science, DSA , MERN, SQL

---

## Education

### Computer Science

Government Engineering College , Ajmer , Rajasthan

03/2026

CGPA (till 4th sem) : 8.90

---

## Languages

English, Hindi

---

## Certificates

NodeJS certified , ML certified , ML internship certified, DBMS certified, Data Science Certified, Python Certified, Java Certified

---

## Projects

### i) Waste Management System

Waste Management System uses AI and ML for waste sorting , GPT powered queries , and community engagement . it features automated scheduling , user management (MongoDB , MySql ) , and seamless Django & Streamlit intergration with an intuitive web UI , making waste management efficient and intelligent

**Skills used :** Python, Django , CNN , Streamlit , API communication , MongoDB

### ii) Attendance2Excel

An website that converts the attendance image page data into text and put inside an Excel sheet . that reduces the time for the teachers to manually one by one enter it uses Django framework and many python libraries .

**Skills Used :** Django ,OCR ,Python Excel Libraries , JavaScript .

### iii) DroNER

A Transformers that annotates labels to the drone log messages . Do semantic Analysis . Also transform 30 Language drone messages into English

**Skill Used :** Transformers , NLP , Python , Data Science

for more

**Github:** [vineetsharma9252](#)

---

### Extracurricular Activities

**Leetcode**

Solved 330+ Problems

**Research Partner**

Contributed in a Drone Research

---
